

## CS 3733 Operating Systems — Fall 2004 Assignment 2

Name \_\_\_\_\_

Consecutively number the pages and fill in the table of contents below. Put a check mark in the box if you think the part was done correctly.

---

| Description                                    | page number | check if correct         |
|------------------------------------------------|-------------|--------------------------|
| Part 1 load average calculation                | _____       | <input type="checkbox"/> |
| Part 2 context switch time calculation         | _____       | <input type="checkbox"/> |
| Part 3a statements                             | _____       | <input type="checkbox"/> |
| Part 3b experiment description                 | _____       | <input type="checkbox"/> |
| Part 3b experiment psconfig, run and exp files | _____       | <input type="checkbox"/> |
| Part 3c experiment description                 | _____       | <input type="checkbox"/> |
| Part 3c experiment psconfig, run and exp files | _____       | <input type="checkbox"/> |
| Part 3d context switch calculation             | _____       | <input type="checkbox"/> |

Part 3b log file: place this after part 3d.

Part 3c log file: place this after part 3b log file.

If you think everything you did is correct, check here:

☐

Otherwise, give a brief description of what is working and what progress was made on the part that is not working:
