

## CS 3733 Operating Systems — Fall 2006 Assignment 4

Name \_\_\_\_\_

Consecutively number the pages and fill in the table of contents below. Put a check mark in the box if you think the part was done correctly.

All of the functions you wrote in parts 1 through 4 should be in the file `list_utility.c`. You should include this file and fill in the page number of the start of each of the functions for Part 4. For each part you will also include the test programs you have written and the annotated output you have generated to convince me that the programs are working.
